

ELMO SURVEY

Unleash the power of engaged employees

ELMO

How do you keep your staff engaged? By gathering data and assessing what they need throughout all points of the employee lifecycle.

Employees who are focused, motivated, empowered and feel aligned to their employer's goals and values, will deliver better outcomes to both internal and external customers time and time again.

That is why attaining true workforce engagement is an undeniably powerful goal for any organisation to pursue. ELMO Survey enables you to collect and report on feedback directly from those who are most important to your organisation's success – your employees.

Understand your people better

Be guided by proven tools and metrics so you always ask the right questions. Employee surveys are a powerful means of revealing valuable employee insights.

HR Survey library and benchmarking

Access best practice survey templates from our library to compare against others in your industry across benchmarked data points.

Lead with data

Access and update reports instantly. Embrace real-time data comparison and analysis across your organisation.

Why you'll love it

Incorporate feedback throughout your HR processes and instil confidence and reassurance with anonymity features when working on sensitive HR topics like diversity and culture.

Supercharge your survey efforts with our best-practice templates, ensuring you meet effective data collection guidelines. And easily customise and tailor surveys for your organisation's unique needs.

With ELMO's survey solutions, leverage benchmarking and analytics capabilities. Gain in-depth insights into your data, drive informed decision-making, and take your HR strategy to the next level.

ELMO SURVEY

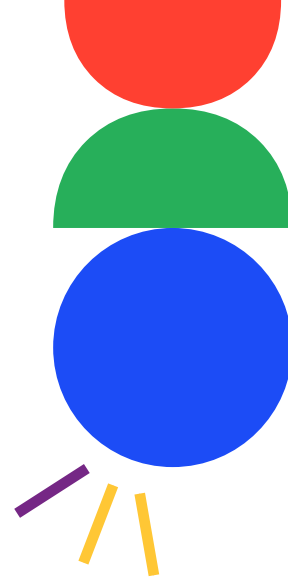

All of the administrative processes we have in place are now quicker thanks to ELMO. As a sole HR manager in a 200-strong organisation, it really is like having another team member.

– Emma Liston, Human Resources Manager at Lipman

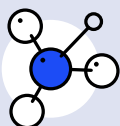

Key Features:

- Access best practice templates from the HR Survey Library
- Easily customise surveys to create your own feedback surveys
- Analyse results in real time with access to user-friendly graphs and exports
- Integrate with recruitment workflows
- Use advanced logic to skip/hide questions and answers
- Ensure survey anonymity for confidential and sensitive topics
- Create your own survey template library for collaborations
